2018 Rimbey CARA Rodeo

**Sunday
July 15, 2018**

11:00 am Heavy Horse Pulls

Before tractors were invented and before big trucks came along the heavy work on farms and the moving of freight was done by draft horses. The Central Alberta Draft Horse Pulling Club keeps that tradition alive.

Come watch as teams of powerful draft horses driven by skilled tramsters compete to see which is the strongest. You will see horses that weigh more than one ton pulling up to twice their weight. This exciting event will show you what Horse Power really is.

1:00 PM Performance

A great big thank you to all our sponsors and volunteers who make the rodeo possible!!
